Northwest Youth & Family Services

We change lives

NYFS is a non-profit social service and mental health counseling agency that has been improving the lives of your friends and neighbors since 1976. **Our mission is to prepare youth and families for healthy lives.**

NYFS Programs and Services

- Mental Health Counseling for youth, adults and families
- Senior Chore services
- Youth employment training
- Community social workers
- Day treatment services for youth struggling with severe emotional and mental difficulties
- Support groups for parents and youth
- Juvenile delinquency intervention services
- Summer camps for low-income youth
- Penny Pinchers Thrift Store
- Discovery Initiative and Mentoring Program for disengaged youth
- Speakers Bureau

We are dedicated to serving those in need, regardless of income. NYFS accepts most health insurance plans and offers some services on a low-cost or sliding-fee scale based on income.

“Alone we can do so little; together we can do so much”

~ Helen Keller

Partnership Purpose

NYFS was created in 1976 through a grassroots coalition of concerned citizens and representatives from local government, law enforcement, educational and civic groups. These collaborative partnerships help keep our community a great place to live, work and raise a family. NYFS would like to work with your congregation members and spread the word about how we may be available to help.

Partnership Options

- NYFS can meet with your pastor and /or staff to discuss how your members can benefit from our programs
- Provide you with contact information so you may refer clients to our mental health clinic
- Create materials with helpful and relevant information promoting mental and social well being for your website, newsletter or bulletin
- Provide speakers to discuss topics such as senior chore assistance, mental health issues or successful youth development

Additional Ways to Partner with NYFS

- Conduct a clothing/furniture drive and donate the items to our Penny Pincher's Thrift store which is a training site for hard-to-employ youth and distributes over \$10,000 in free merchandise to needy families
- Make NYFS a beneficiary of your congregation's stewardship/social justice or charitable giving program
- Designate NYFS as a beneficiary of an existing church event
- Consider a special collection to benefit the programs offered by NYFS
